

August 16, 2015 *The Foolish and the Wise, Which are You?* Based on Ephesians 5:15-20

Story of Ole Evinrude. There must be a better way. Paul says, "Look carefully, then, how you walk, not as unwise people but as wise, making the most of your time.

Three ways we are unwise or foolish in our lives:

1 – there are those who believe they are exempt from life's physical and moral laws

-pollution of the lands and our bodies. God's creation has its limits

-immoral and foolish behaviors. God anger has limits.

2 – People are foolish if they give up before results are in

-Herschel Walker, stuck with it longer than others

-have God on our side, persist in right

3- People are foolish if they don't give best to God

-we're not bad people, not quitters, yet some times just give a nod to God

-one person, one church, one community, one nation can make a great impact.

-Christian faith offers a way and a direction, but depends on us.

We are above the evilness of these days or this world. Need to 'use' our faith! Depends on You!
